### Next competitions

We're thrilled to invite everyone to join us for the upcoming episodes of the Eco Grand Prix in [Transylvania, Romania](#), and [Meppen, Germany](#). And that's not all! We extend a special invitation to all electric car owners to be part of the [EV World Record Parade](#) and [Tesla World Record Parade](#) in Meppen. It's an opportunity to unite, celebrate our shared passion for electric vehicles, and make history together.

### Special thanks

We would like to express our deepest gratitude to our partners, the Automobile Club du Roussillon (ACR), Jean Pierre JOFFRE - ACR president, Ville de Perpignan, Goodyear, and Lame66 - L'association pour la Mobilité Electrique dans les Pyrénées Orientales and Robert Morendeira, Honorary President Lame66.

### Information about other projects:

\*\*\* The [www.80edays.com](#) circumnavigation of the world is expected to begin in May 2024 in Barcelona. We keep our fingers crossed that the wars in Kyrgyzstan and Ukraine will be over by then.

"Borders cause wars and have always been the biggest problem on any trip around the world. Europe effectively prevents war between European nations. We should create a worldwide United Nations of Earth!" Rafael de Mestre 2022 preparing for the 3rd circumnavigation of the world.
